*The MOUNTAIN SHADOWS FIRESTONE HOMEOWNERS ASSOCIATION, INC., “Angels Committee” promotes community spirit and helpfulness. Our mission is to assist neighbors on a temporary basis to help maintain the community’s value of high quality living as well as the property value of each of our homeowners. If you know of a neighbor who is struggling with a health condition or other crisis where we can assist by helping to **temporarily** maintain the property, such as mowing, shoveling snow, other landscape or home maintenance, housecleaning, or providing a good meal, please send your completed form and additional information (if applicable) to Flagstaff Management Company:*

Email: [fmc900@flagstaffmanagement.com](mailto:fmc900@flagstaffmanagement.com)

Fax: (303) 682-1111

Mail: 2030 Terry Street, Longmont, CO 80501

*Sometimes our neighbors are too proud to ask for this assistance so we would appreciate your sponsorship of these individuals. That doesn’t mean that if you need our help you can’t contact us directly at the above. If you want to volunteer to help a neighbor in these situations, please contact us as well. We will provide the required certification to High School students or Black Belt students so they can meet their community service requirements.*
