

Spring Valley Golf Estates (SVGE) Homeowners Association (HOA) Request Form To Use of One of the Parks for Personal Use

The SVGE privately owned parks are typically for all homeowner's use and enjoyment. An individual homeowner may make a request to reserve a portion of the park for their personal use. In no way does this form give the individual homeowner exclusive rights to the entire park or exclude other homeowners from using the park for their enjoyment.

The homeowner requesting the use of the park is completely responsible for the conduct of themselves and their guests. Any hazardous item brought into the park (i.e. - Jumper, Water Slide, etc.), must be monitored the entire time it is in the park by a responsible adult. SVGE HOA is not responsible for any injury caused by the use of any such item(s) brought into the park or any hazardous activities conducted while in the park. The homeowner is also responsible for clean up after they are done; bringing the park back to at least the same condition it was in prior to their use. Any damage to the park grounds, equipment or vegetation caused by their use is the responsibility of the homeowner making this request.

By signing this form, I am stating, I understand I am fully responsible for my family and my guest's conduct and any damage caused by our use. If I bring any hazardous item(s) into the park, I will have continuous responsible adult supervision to monitor their appropriate and non-hazardous use. I understand, if this request is approved, I do not have exclusive rights to the park.

***** I hold SVGE HOA harmless for any accident(s) or incident(s),
which may arise during any requested period *****
