Rainbow Lake Estates Annual

Clean Up & Cookout

Saturday, April 27, 2019

4950 Malibu Dr (The Roberts' residence)

8:30 – coffee, orange juice & donuts

9:00 – clean up begins

- Meet at 4950 Malibu (Roberts' residence) with gloves, trash bags, rakes, buckets, pitch forks, water bottles
- Trash and tumbleweeds will be cleaned up in open spaces and along our roads and fence lines
- Four wheelers and garden trailers are very helpful
- Cookout with hot dogs, burgers, and drinks will follow clean up. Everyone is welcome
 - please bring a side dish to share and your chairs
 - plates, cups, condiments, and plastic ware provided

A large roll off dumpster will be located between 4950 and 4834 Malibu. We will use the dumpster for disposal of trash and weeds during the cleanup day.

The dumpster will remain in our community for a few days following the clean-up for residents to use for their own yard clean up. Please wait until AFTER the neighborhood clean up to dispose of your own yard clean up.

No petroleum products, electronics, tires, paint, appliances, concrete, or hazardous chemicals may be placed in the roll off.

Working together helps build community and allows new residents to meet their neighbors!

******Don't forget to bring water and wear sunblock!*******
